PARTICIPANTS LIST

The TENTATIVE [Participants List](#) is now available on the event website. Please check your name, race category and wave number and [contact us](#) by **25 April** if you notice any mistake.

CHAMPION OF CHAMPIONS - EQUALIZER

The men and women starting in the elite waves vie for the Champion of Champions title at each of the MetaSprint Series races.

Based on the fastest women's and men's results of the past three years, the women's elite wave gets a head start on the men. The first man or woman across the finish line will be the Champion of Champions.

The handicaps for the men in 2024 are:

Triathlon Equaliser – 6 min 36 sec

WHO QUALIFIES FOR THE ELITE WAVE?

Triathlon selection criteria:

- Overall Top 20 from MetaSprint Series Championship 2023, MetaSprint Series Triathlon 2023, MetaSprint Series Duathlon 2024, MetaSprint Aquathlon 2024
- Wild Card Entry*

Athletes selected for the elite wave will start and compete in the 1st wave, with athletes of similar ability regardless of age group. They will still be ranked in their respective age groups for awards.

***Note:**

If you believe you should be in the elite wave, please [email us](#) indicating your recent best race results (event name, distance, year, time and placing) before **25 April**. Only a limited number of wild card entries are available for the elite wave.

GETTING TO THE RACE VENUE

Stick bike sticker around the seatpost

SWIM COURSE MAP

IMPORTANT SWIM RULES:

- All swimmers **must wear the swim cap** provided by the organiser.
- Fins, paddles, pool buoys, snorkels or any other swimming aids are **not** allowed.
- Wetsuits are **not** allowed (speed suits are permitted).
- **Swimmers in difficulty shall signal** by raising an arm to the escorting boats/canoes for assistance.
- Once assistance is rendered, the competitor must retire from the competition.

Report at the start area **10 minutes before your wave start** and ensure that you are checked-in as you enter the start area.

BIKE COURSE MAP

IMPORTANT BIKE RULES:

- **Note – bike course is not fully closed from the public!**
- **Cyclists must wear their race bib** visibly at the rear of their apparel at all times
- **Helmets must be secured on the cyclist's head** until he/she has placed their bicycle at the allocated bicycle rack
- Support vehicles and crew, and the wearing of headphones are not permitted at any time.
- **Drafting is not allowed!**
- If caught, cyclists will receive a 'stop and go' penalty which means coming to a full stop with both feet on the ground before being allowed to continue.
- You are considered drafting when you are within 5 metres of another participant's rear wheel or riding next to someone within 2 metres. You are allowed 15 seconds in someone's draft zone to overtake.

RUN COURSE MAP

- Keep left on the course at all times!
- Note that the running paths are not closed from pedestrian traffic. Be considerate to pedestrians and other members of the public.
- Pere Ocean Mineral Water and PURE Electrolyte drink are available at the drink stations on the run course and at the finish line.
- Alert a marshal if you see an athlete in difficulty.

IMPORTANT RUN RULES:

- Runners must wear their race numbers, clearly visible at the front of their race apparel at all times.
- Support vehicles or pacers are not allowed.
- Runners must run on designated paths for the entire route.
- No bare torso is allowed at any time. Shoes must be worn.
- Wearing headphones is not allowed at any time.

What the Disposable Strap looks like

Follow these instructions for optimal performance:

1. Ensure that you have been given the correct timing chip at registration
2. Practice putting the band around your **LEFT ankle** to get a feel for where you will apply the adhesive strip
3. The band needs to be 'comfortably loose' around your ankle so that the chip will have 'air' around it
4. Remove the adhesive backing from the back of the band in order to secure the strap onto itself
5. Run the strap around your finger when finally attaching the strap, then remove your finger. This is how you ensure the strap is not tight on your ankle
6. The Race Number should be facing outwards on your LEFT ankle as that is where the chip is located. The front of your ankle should show the logo
7. IT IS A SINGLE USE band. The Event may not have a replacement if you damage the band or chip. The chip SHOULD NOT be placed under the wetsuit or sock - it needs to always be seen to be read accurately

CYCLING ETIQUETTE

The bike course is closed from traffic. However, please observe the following riding etiquette to ensure you have a safe ride:

- Be considerate and respectful to your fellow cyclist
- Do not swerve or make sudden movements
- Stay left at all times, unless overtaking
- Never overtake someone on the inside (left side)
- Look over your shoulder before you move over
- Call "on your right!" to alert the cyclist ahead of you that you are trying to pass them

WEAR YOUR HELMET SECURELY FASTENED!

Regrettably bike crashes do happen. Take responsibility for your own safety and make sure you have a proper bike helmet that fits your head snugly. It must be securely fastened before removing your bike from the bike rack.

BIKE MECHANICS

Ensure that your bike is in good working condition. Our bike mechanic will be at the race venue for any last minute mechanical issues and last minute purchases. Small repairs and tuning are provided free of charge.

CLUB CHALLENGE

Does your club have what it takes to beat all others? Sign up all your members now - each participant scores points for their club as per the table below. The club with the highest points at the end of the series will be crowned the Club Champion.

IMPORTANT:

Enter your Club name when you register for the race - or you can add it until **28 April**. Updates may only be requested by the participant in person, and not by a teammate.

INTER-SCHOOL CHALLENGE

The Inter-School Challenge is a fun-packed competition for Primary and Secondary Schools. Singapore's best young athletes will challenge for the honour of their school being crowned the 2024 School Challenge Champion.

The overall series School Challenge Champion will be awarded at the conclusion of the MetaSprint Triathlon. Will it be your school who takes home the trophy?

POINTS RANKING

Rank	Points
1	50
2	30
3	20
Finisher	10

Only participants wearing their race bracelet are allowed in transition.

1. Look for your allocated spot (race number)
2. Prepare the gear that you will need for your run
3. You can leave your gear bag in transition or bag deposit service is available.

Parents of 8 & 9 year old children

TRANSITION TOURS: 9:10AM & 9:50AM

Parents of 8 and 9 year-old children will find a yellow parent bracelet in the race kit that gives them access to the transition area before the Kids race to help their child set up transition. Due to space constraints we do not allow any parents in transition during their child's race.

INFORMATION & MAP

Our little champ's will have a blast in the Kids Scootathlon! Starting at **bike mount**, they will first complete a 500m scoot, transit at dismount line for their 200m run and finally making their way to finish under the finish arch (just like Mum and Dad), and claim their well deserved medal!

Notes:

- **It is a non-competitive event! No times, no pressure - just fun!**
- Kids are required to wear a helmet and stick the helmet sticker (provided in race kit) on the front of the helmet
- Scooters used are required to have the scooter sticker (provided in race kit)
- Kids are required to wear number bib on the front of their top.
- A finisher medal will be presented at finish line.
- Parents/guardians are not permitted to follow/assist their children. There will be space to watch all the action.

BIKE RENTAL

If you don't own a bike, or you don't have a way to get your bike to the race, we have a solution for you!

[Coastline Leisure office](#) is not operating over the weekends. On Sunday morning if participants need assistance, please call the shop at 6443 3489, they are open 24hrs.

***Please remember to bring your helmet, it is necessary to wear a helmet to be able to race!**

MEDICAL EMERGENCIES

Alert the first marshal you can find, if you see an athlete in difficulty on the course. All our marshals and event staff have a medical emergency number with them.

MEDICAL SAFETY

Illness

Do NOT race if:

- you have had a fever with muscle aches in the week before the event.
- you have had a viral infection (such as the flu), food poisoning or diarrhoea within the last 7-10 days before the event, and have not fully recovered.

If you believe you have fully recovered and are fit enough to take part, please do start out cautiously, lower the intensity of your physical exertion, and stay well hydrated, as these illnesses may result in dehydration, salt imbalance, or disturbances to your heart function.

Heat Injuries

Exercise in Singapore's high heat and humidity places you at risk of developing a heat injury that could potentially be fatal. The best way to avoid such injuries is to:

- ensure good physical conditioning prior to this race
- participate within your fitness limits
- hydrate properly before, during and after the race. This should be a combination of water and electrolytes

Symptoms

If you experience any of the following symptoms during the event, please reduce your physical effort. And if you do not feel better, stop and seek medical attention.

- Undue shortness of breath
- Dizziness, giddiness, light-headedness
- Chest pain
- Undue tiredness, nausea
- Disorientation, confusion

Medical conditions

If you have a medical condition, please check with your doctor first whether it is safe for you to take part in this kind of event.

Medication

You may leave medication such as auto-injectors and inhalers (related to your medical condition or allergies) with the medical team, so that it is on standby at the medical tent if needed. Place it in a Ziploc bag with your name & race number and give it to the medical team on race morning.

PAR-Q AND YOU

Please answer below PAR-Q questions and consult your doctor if you answer YES to any of them:

1. Has your doctor ever said that you have a heart condition and that you should only do physical activity recommended by a doctor?
2. Do you feel pain in your chest when you do physical activity?
3. In the past month, have you had chest pain when you were not doing physical activity?
4. Do you lose your balance because of dizziness or do you ever lose consciousness?
5. Do you have a bone or joint problem that could be made worse by a change in your physical activity?
6. Is your doctor currently prescribing drugs for your blood pressure or heart condition?
7. Do you know of any other reason why you should not do physical activity?
